Shannon in MOTION BELLYDANCE

Shannon is a Seattle-area based bellydancer who first fell in love with the world of Middle Eastern dance in 2000. Luck brought her to her first class, and a surprising connection to the dance kept her there.

She now performs regularly at Marrakesh Moroccan Restaurant, as well as guest dancing at Harissa Mediterranean Cuisine and performing at private parties and other community events. In addition, she is a member of the Bothell-based professional company, Lunaria Dance Theatre.

Adding Shannon's bellydance performance to your next event will make it an exciting and memorable one. Performances can include veil, sword, wings, zils (finger cymbals), candle tray, candelabra and always fun audience interaction and can be tailored to your event's needs.

Shannon is available for a variety of events, such as:

**Baby Showers • Bachelorette Parties • Birthday Parties • Bridal Showers
Charity Events • Corporate Parties • Graduation Parties • Festivals
